I. BACKGROUND

On February 16, 1994, the District #2 Environmental Commission issued Land Use Permit #2W0966 ("Permit") to John Judge, Jr., d/b/a R.O.V. Technologies, Inc ("Petitioner"). The Permit authorizes the renovation of an existing barn for commercial use ("Original Project"). On March 6, 1998, the Chair of the Environmental Board, Marcy Harding, convened a prehearing conference and, on March 20, 1998, issued a Prehearing Conference Report and Order ("Prehearing Order").

II. ORDER
